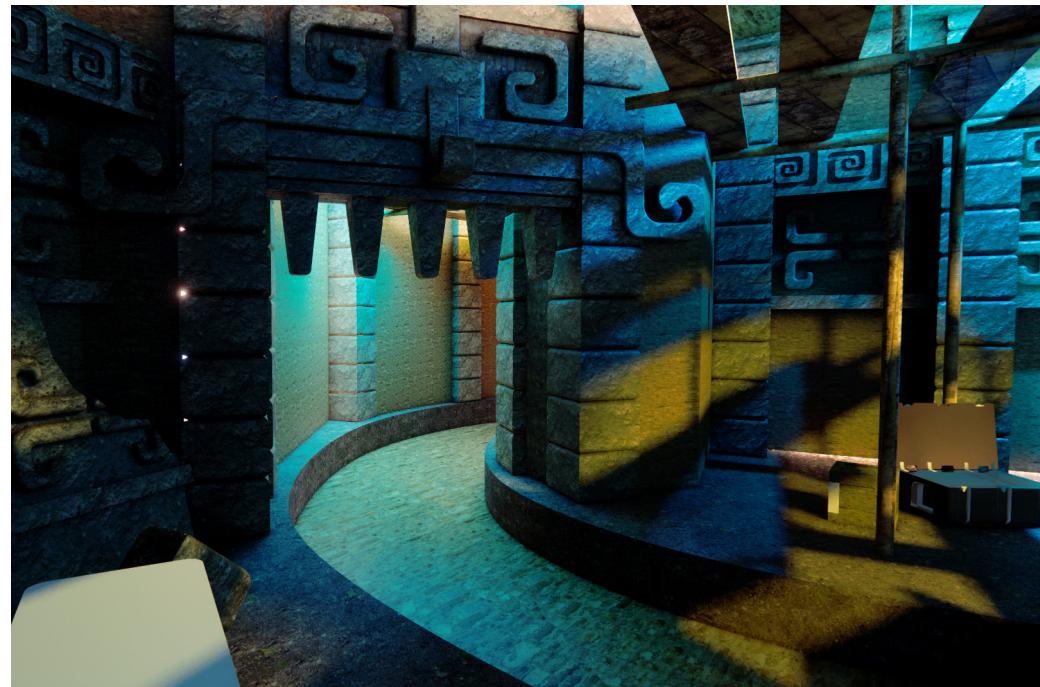

Graphic logos and concept art for haunted walkthrough experiences. Pandora's Spirits Unleashed is a stage show in which a PA on a film set is possessed by the spirit of Pandora and unleashes the evils of Pandora's box, bringing the fictional horrors of scary movies to life.

Renders of 3D models done in Rhino for a thrilling dark ride through an archeological digsite. Guests search an excavated temple for a lost tablet, guided by friendly animal spirits.

Graphics and branding package developed in Illustrator and Photoshop for Cafe food packaging and menu design.

The concept for the branding is people working late into the night and needing a caffeinated pick-me-up to pull through late nights, all nighters, and early mornings.

SOFT DESCENT

Graphics and branding designed in illustrator and photoshop:
Packaging for a luxury skincare brand.

The concept for this branding promoting fresh ingredients for a dewy glowing look for the skin. The colors are meant to embody a dark spring and the logo is a pomegranate as an ode to Persephone, the goddess of spring and queen of the underworld. The colors combine deep jewel tones with bright pastels to embody the duality of the goddess.

Inventor's Horizon is a University town teaming with innovator artists, tinkerers, and inventors. The overall design is industrial with a handcrafted feel, like much of the structures and inventions were student made. Below is an interactive exhibit where guests can explore some of the newest creations in Inventor's Horizon. Guests can race mini hot air balloons by funneling air through a bellows. They can work together to spin the astrolabe by cranking wheels in tandem, and explore constellations and seeing how they move throughout the year in an interactive observatory.
